

Andalucian Cup (Nerja, Spain)

A Whitsun International Football Tournament raising funds for The Malaga Animal Protection Society (M.A.P.S)

27th – 29th May 2011

Nerja is the place that still exists on the Costa del Sol, which lies between small coves untouched by development and surrounded by impressive mountain scenery. Only 40 minutes from Malaga.

Much of Nerja's charm comes from its narrow winding streets and white washed buildings. You can enjoy yourself to the full all year round with its warm climate and take advantage of the relaxed way of life of a village that still retains much of the character of its Moorish past. Today, Nerja offers an excellent range of quality accommodation and leisure time activities, including: horseback riding, kayaking, shopping, abseiling and museums.

In order to help prevent further suffering of animals in Andalucia, M.A.P.S is in the process of creating a large professional and organized animal sanctuary to be open and fully operational within the next 5 years. The reality is that animal cruelty exists and there are many animals in need of urgent medical attention and re-homing.

By participating in the M.A.P.S. football trophy you will be helping to achieve something great. Let us tell you a little more:
